Help Shape the Future of PSTL

PSTL is in it's 18th season. While the format is similar, the league itself has evolved into what it is today. It's time once again to took a look at what and how we are doing things in order to see how we an improve the level of competition and the fun of the league.

As a way of gathering information from the members, an online survey has been posted to get input from you. Please take a few minutes and visit the survey and give us your opinion. Your comments will help shape the future of the league. The URL is http://www.surveymonkey.com/s.aspx?sm=vtZhdOIEYTDawhVv4qIGww_3d_3d. I know it is a long URL, but please take the time to go an fill it out. Bowlers and parents are both invited to take it. Thanks in advance for you input!

All Star Reminder

Just a reminder to all PSTL bowlers that they are eligible to try out for the Greater Seattle USBC Youth All Stars. There is an application in order to be considered. If you don't have one yet and would like to apply, let me know.

If you have questions about the process, you can ask Jeff Weier. If you are thinking about it and are not sure, you should, "Just Do It".

Sportsmanship Balloting

Next month all bowlers will be asked to vote for a boy and girl in their division for they feel exemplify good sportsmanship in the league. Please look around you today at the bowlers and see who you think deserves this award.

In past years we have had a problem with bowlers either making a popularity contest out of it, or just turning in the balloting into a joke. Please take it seriously this year. Observe this month and then cast a serious ballot next month so we can have truly deserving individuals that win.

Important Reminders

League fees for the May (\$20.00/person) and Team Sponsor's Fee (\$45.00/team) is due Today. Individuals or teams owing money cannot bowl today. Also, please note no new subs allowed during the April or May sessions.
