The Las Vegas tournaments have become a Christmas tradition for many scratch bowlers from the Northwest. In this year's Main Event we had some outstanding finished by PSTL bowlers.

In the Boys Scratch Division, Cameron Weier finished 15th, taking home a \$400 scholarship.

In the Girls Scratch Division, Catherine Rawsthorne qualified 4th and ended up in 5th place after the finals taking home a \$600 scholarship.

Congratulations to both Catherine and Cameron for their outstanding performances in a very tough field of bowlers.

What's Your Resolution?

Each year about this time, people reflect on the past year, and also look ahead to the new year. They look at where they are and where they want to be. They look at the things they can do to get there, and if they feel strongly enough about it, they resolve themselves to make those changes in the lives.

For some people it is about diet or exercise, but for many bowlers it is about BOWLING! They know the want to improve, but what can they do? Here are some ideas for some bowling New Year's Resolutions:

- 1) Practice at least once a week more than I am now.
- 2) Increase my spare shooting percentage so I pick up 90% of my single pins.
- 3) Get a practice book and use it to record what I'm working on and tournament performance.
- 4) Use skill drills in practices and don't keep score.
- 5) Enter a tournament I have not bowled in before
- 6) Bowl JWTC in June. :^)

These are just examples of good resolutions that will move you toward a better game... you could come up with other on your own. Just remember, in the end the resolution is only as good as the follow through. What will you do this year?

Important Reminder
